YOUR 2018 IMPACT

NURSING/STAFF EDUCATION

Scholarships, certifications, conferences and other opportunities helped 2,157 nurses and other clinical staff provide the very best care possible

- A scholarship for a single parent pursuing a bachelor’s degree in nursing
- A nurse residency program will smooth the transition for new nurses
- Continuing education for respiratory therapists and radiology technicians

PATIENT BASIC NEEDS

Transportation, lodging and urgent needs for 2,952 patients

- Gas and lodging for a cancer patient traveling to Albuquerque from Grants, NM
- Funeral and utility expenses for a hospice patient’s family
- Medication for a kidney transplant patient

PROGRAM SUPPORT

Funding to launch and grow key programs

- Community health programs addressing food insecurity and healthy eating
- New art therapy program for behavioral health patients
- Patient experience training for physicians and staff

CAPITAL NEEDS

New construction, renovation, equipment and technology

- Medication scanners for inpatient children’s unit
- Doppler imaging equipment for Home Healthcare staff
- Rapid infusers for Emergency Department resuscitation efforts
- Automated CPR equipment (Lucas Device) for Albuquerque Ambulance
